

WASTE TREATMENT FACILITY FOR CHESHIRE

Viridor

PUBLIC CONSULTATION & EXHIBITION

HAVE YOUR SAY...

Your chance to find out about Viridor's proposal for a new waste treatment facility at Lostock Works, Griffiths Road, Lostock Gralam.

The exhibition will be held at:

Lostock Sports and Social Club, Works Lane, Lostock Gralam.

Wednesday 24th June between 3pm and 8pm

Thursday 25th June between 3pm and 8pm

The new Cheshire West & Chester and Cheshire East authorities are seeking an alternative sustainable waste treatment option for household waste. Viridor, one of the leading recycling and waste management companies in the UK, is one of two bidders that have been shortlisted for the final stage of Cheshire's Household Waste PFI Contract.

This event is a public exhibition that will provide you with important information about Viridor's proposals for a new waste treatment facility that will meet Cheshire's requirements for waste management for the next 25 years.

The exhibition will provide an opportunity for you, the local community, to meet the Viridor team working on the proposal, ask questions, get more information and share your views on the proposal.
